Five reasons to re-elect Sam Cason to the Chugach Electric Board

Sam Cason has provided strong, effective leadership to the Chugach Electric Board.

- 1. Experience** — Sam Cason is a lifelong Alaskan seeking re-election to his second term on the board.
- 2. Customer Service** — Sam Cason believes that strong customer service and reasonable rates are the cornerstone of Chugach Electric. He has worked hard to ensure that Chugach customers receive courteous service.
- 3. Fiscal Management** — Sam Cason has worked hard to insure that Chugach rate payers are protected. He is pursuing other means to provide more cost effective power, including wind power. Chugach Board member compensation is below the national average.
- 4. Independence** — Sam Cason makes all his board decisions based upon what is best for the consumer. He is not beholden to any special interest.
- 5. Education** — Sam Cason is a credentialed director. Through accredited study, he has thoroughly studied the industry and attained the highest level of educational experience available, thus making him a more effective director.
